

Our Commitment

T.P AEOLIAN DYNAMICS LTD is committed to creating and maintaining an environment where people can work safely, it is committed to managing its operations in a way that complies with all relevant health and safety legislation and standards. We will provide adequate recourses and establish measurable objectives and targets to maintain and continually improve our health and safety performance.

Our Objectives

T.P AEOLIAN DYNAMICS LTD will continuously develop, maintain, and improve management arrangements to effectively organize, plan control and monitor health and safety risks. In line with sound business practice, we will:

- Develop and maintain management systems that establish responsibilities, targets, monitoring methods and a review process of health and safety performance.
- Conduct suitable and sufficient assessments of health and safety risks and implement appropriate risk control measures.
- Provide professional and competent health and safety resources to assist in meeting the company health and safety objectives.
- Provide health and safety information, instruction and training and where required job specific training for employees on health and safety issues.
- Provide adequate arrangements for consultation and communication on health and safety matters to create a positive culture.
- Provide and maintain safe and healthy workplaces including adequate welfare facilities.
- Provide and maintain work equipment that is safe and does not create health risks
- Report and investigate all workplaces and road traffic accidents and implement appropriate corrective and preventive action.
- Consider health and safety aspects in investment and procurement decisions
- Encourage suppliers and contractors to introduce programs that support our health and safety objectives and targets where their activities have a significant risk.
- Consider and respect our stakeholders when managing our health and safety activities.
- Support innovation in health and safety performance with the involvement of our stakeholders.

Responsibilities of all employees relating to this policy are detailed in health and safety management system.
